

Project Profile

Client:

Goldey Beacom College

Joseph West Jones College Center

Design Professional:

John Falini Sr.

Location:

Wilmington, DE

Delivery Method:

Construction Management

Key Challenges:

- To construct a facility that promotes student interaction and learning, provides a comfortable environment, and includes modern building systems and aesthetically pleasing interior features.

A 40,000 square foot student facility located on Goldey Beacom's 28-acre campus, the Joseph West Jones Student Center includes a food service area, student lounges, and a bookstore. Bancroft's Construction Management Services offered Goldey Beacom considerable savings throughout the project.
